# It's easy to find out what Medicare Plan is best for you.

**UnitedHealth Care Medicare Plan Representative**  
**Jeff Balistriere**

**Shoreline Hometown Credit Union has announced a partnership with UnitedHealth Care Medicare Plan Representative Jeff Balistriere** to help you find easy-to-understand answers to your most important Medicare and Medicaid questions.

Talk to Jeff today and you'll make good decisions concerning your important Medicare Plan options either during the initial enrollment process, or during the upcoming renewal period beginning in early October.

According to Shoreline CEO and President Nathan Grossenbach, "Medicare can be complex. We are very excited to provide our members free consultations with Jeff. He will be available to work with our members either by phone or appointment at either of our branches and possibly even our members' home, if desired. If you aren't completely sure that you are making the right decision with your Medicare or Medicaid needs, I strongly encourage our members to meet with Jeff."

Jeff is a licensed life and health insurance professional who can personally walk you through the process and select the right plan for your particular needs. He has been a resident of Northeast Wisconsin for nearly 30 years and has counseled hundreds of people with their Medicare needs.

Jeff says, "I'm here to personally assist and educate Shoreline members to provide a clear understanding of how Medicare works, and come up with a plan that may be a good fit for you."

"I look forward to helping you as a Shoreline member find a UnitedHealthcare plan that works. For folks who have been on Medicare, I'll compare their current plan to other plans and see if their needs are met. This can be done at your home or any place of your choosing. I'll go over prescriptions, doctors, hospitals, dental, hearing, and vision benefits to determine what plan fits best for them."

**Jeff can be reached at 920-794-2171 or [BalistriereJ@ShorelineCU.org](mailto:BalistriereJ@ShorelineCU.org).**
