SHORELINE HOMETOWN CREDIT UNION ADDRESSES CORONAVIRUS CONCERNS

March 12, 2020, Manitowoc, Wis. Shoreline Hometown Credit Union cares about the physical wellness of our members, employees, and communities, especially amid concerns about the spread of the Coronavirus (COVID-19).

We are closely monitoring day-to-day developments and, as an organization, have raised awareness and education among employees on the best practices to prevent the spread of respiratory diseases, as outlined by the Centers for Disease Control and Prevention (CDC).

- **Shoreline recently completed a Business Continuity Test on March 10, 2020** to ensure that our staff is prepared to handle a pandemic. The test was successful on all fronts.
- **2020 Annual Meeting.** We do not expect to delay our Annual Meeting; however, we are looking into streaming it online for members who do not want to physically be present. We will make this determination in early April, and will publish our determination on Facebook, our website, and in an email to our membership.
- **Watch out for scams.** If anyone contacts you pretending that they are from any agency or financial institution and asks for you for your personal information, do not share any account, Social Security, password or other personal identification details. Call us at 920-482-3700 if this happens to you.

Consider banking from home.

All of our branches and ATMs remain open during normal business hours to serve you. If you're concerned about going out in public, however, you can conduct many of your common branch
