**SHORELINE HOMETOWN CREDIT UNION DONATES \$10,000 TO
TWO RIVERS CENTRAL PARK WEST 365 PROJECT**

Shoreline Hometown Credit Union has a long history of serving the Lakeshore community. Having started out as Hamilton Credit Union in 1941 with a membership made up of company employees, Shoreline's roots have always been in Two Rivers. For over 80 years, Shoreline has worked hard to support the Two Rivers area and is proud to continue that tradition with a \$10,000 donation to the city's Central Park West 365 Project.

With the goal of transforming the park into a local hub for outdoor activities, the project will include updates to existing park features, as well as the addition of new attractions. These upgrades include an ice skating loop and water feature, a multi-purpose building, a bandstand with a larger audience area, and more. This renovation will turn Central Park West into a space for community members to connect and enjoy the outdoors – a mission that hits home with Shoreline.

“When we heard about the Central Park West 365 Project, we were immediately drawn to it because we knew it would improve the community's quality of life,” says Shoreline's President and Chief Executive Officer, Nathan Grossenbach. “The project fits perfectly with our Hometown Values, and we couldn't be more excited to be part of it.”

Shoreline Hometown Credit Union presented the \$10,000 check at a recent Two Rivers City Council meeting. “We look forward to seeing the Central Park West 365 Project come to fruition, as well as to seeing the people of Two Rivers enjoy the park for years to come,” reiterates Grossenbach.
