Member newsletter of the best kept secrets (unintentionally) and updates.

## CEO Update.

Hello members!

We are having a strong year all around. As of September 30, we've already surpassed our budgeted income for all of 2024! We have been able to accomplish this despite slashing fees, lowering loan interest rates, and running several market-leading certificate specials throughout the year. I am so humbled by your trust in our credit union. It truly has been a phenomenal year.

As we are a not-for-profit cooperative, those profits go back to **our members**. This is why I love my job. Rather than **needing** to reward a small group of shareholders, I **get** to reward our thousands of members!

## Did you know?

We have been serving our community since 1941.

We began as Hamilton Employees Credit Union. Incredible growth allowed the credit union to move to its current Two Rivers location and then become known as Shoreline Credit Union. We serve members in 9 counties in North East Wisconsin.

## Tech Corner.

Shoreline continues to invest in technology to keep us as the best place to bank. Recently, we introduced Two-Factor Authentication (2FA), providing an extra layer of security to protect your accounts from jackassery (fraud and identity theft).

We are excited to be announcing two new features!

You have asked for easier ways to make loan payments and transfer money to accounts at other financials. We listened.

You can now make payments on your Shoreline loans or credit card using a debit or credit card from another financial institution. You will find a new link on our website called "Pay Loan," which will take you to this new payment portal.

Starting November 1st, our members will be able to send money from their Shoreline account to another account (A2A) at other financial institutions. This is a safe, secure method of transferring funds that you will be able to do right from the app or online banking! Please visit the [A2A Guide on our website](#) for more information!

## Shoreline awards \$30,000 in Small Business Grants!

Check out the [news section](#) on our website to learn more about the two businesses and their projects.

## Staff:

We welcome Colton Becker to the team. Colton has over 6 years of financial institution experience, and joins us as a Financial Consultant in Two Rivers.
